

YOSEMITE DENTAL CARE

• EST. 1984 •

Hi everyone,

Welcome back to the practice! We've made a few changes to ensure the safety of our patients and team. Here is an overview:

- You will be escorted into the office and asked to use hand sanitizer.
- Leave all personal belongings in your vehicle. Have your form of payment, personal pen, identification, and insurance card on hand.
- Prior to your appointment we will ask a few screening questions
- We request that no visitors enter the office unless you are a parent of a minor or a guardian
- All people in the office must wear a mask until instructed by staff to remove. (MASKS are a MUST for high risk patients)
- We will no longer offer comfort items like blankets, if you're sensitive to cold please bring your own blanket

Our team will be working diligently to get all of the appointments that had to be cancelled due to COVID-19 rescheduled as quickly as possible.

As always, we are here to answer any questions you have in addition to taking care of any urgent dental needs. Thank you for your patience and understanding throughout this process. We look forward to seeing all of your smiling faces again soon!
